

OnStage Children's Theatre Education Program

Application for Summer 2019 Participant Scholarship

Fire Mountain Arts Council is pleased to be able to provide scholarships to children wishing to participate in the On Stage Children's Theatre Education program. We are able to do this thanks to a number of generous donors and sponsors who believe in the value of this program. Fire Mountain Arts Council is dedicated to ensuring all children selected for roles in our productions are able to participate, regardless of ability to pay.

For a child to receive a full scholarship (\$100 for the session), a parent or guardian must commit to at least 10 hours of service to the production. We will work with parents to find an opportunity that fits best with the abilities and availability of the parent. Some ways a parent or guardian can help are:

- Serving meals/snacks (Food handlers card may be required)
- Arts & crafts projects with the children
- Lobby attendant
- Assisting in the green room before and during performances
- Assembling programs
- Cutting and organizing show tickets
- Coordinating fundraisers
- Other ways as arranged with program coordinator or director. Let us know your talents!

If you cannot commit to this service requirement, your child may be eligible for a partial scholarship of \$35. The remaining \$65 is the responsibility of the parent or guardian.

By completing this form, you are acknowledging that you understand and agree to the requirements of the scholarship program. Please contact Producer with any questions or concerns at mortonroxyonstage@gmail.com
